Global IIT Alumni Conference – Mumbai, India – 23rd to 25th December 2006

Inspire to Involve and Transform India!

Dear IIT Alumnus,

It gives me great pleasure to invite you for **Global IIT Alumni Conference** scheduled from 23rd to 25th December 2006 at BKC, Mumbai. The theme for the conference is **Inspire IITians to Involve and Transform India!**

We are all proud to belong to the IIT system, whose contribution to technology and leadership has received worldwide recognition. The PanIIT organization was formed as an umbrella organization, covering all 7 IITs, to evolve a brand that would provide strong fraternity among IIT alumni.

Many amongst us have felt the need to “give back” – to India and to our *alma mater*. One of the *raison d'être* of this association would be to use this network, and the leverage that it can develop, to help each IITian in his endeavor to provide

- Proactive contribution to nation building
- Networking opportunities & Branding
- Contribution to *alma mater*
- Advocacy

The programme* reflects the theme:

Inspire you on **Day 1** (Inauguration by President of India, Dr. Abdul Kalam, *Sapta-Drishti* – Vision of 7 IIT Directors),

Involve you on **Day 2** (pick your track(s) from a menu of 6 and a slew of speakers, special track for spouses),

Transform India from **Day 3!** The Prime Minister has been invited for the valedictory session and we hope to launch several initiatives to take India into the comity of developed nations.

Registration: (On-line <http://www.paniit2006.org/register/register.php>)

You can get registered for Rs.2000 till **30th November**.

For registration after 30th November, the registration charges will be Rs.2500.

Companions (above 12 years) @ Rs.1000 per head anytime.

For accommodation arrangements during event, see website.

You are being extended a special invitation by the PanIIT 2006 Action Group to register yourself at the earliest, and be counted. We therefore urge you to join us, and give critical inputs to achieve our goals towards Nation building.

I would request you to communicate about the conference to your IIT alumni friends to make it a big success.

Please register yourself on www.paniit2006.org and for any other information you may contact me or Mukesh Kumar (Ph-+91-9821753670)

With warm regards
